Cancer Services' Annual Spring Jambalaya Event **Friday, April 25, 2014**

Baton Rouge, La.—March 27, 2014 – Each year Cancer Services partners with the Knights of Columbus Councils #3331 and #8878 for the Annual Spring Jambalaya Sale to benefit those living with cancer in the Greater Baton Rouge area. This year's event will be held on **Friday, April 25th** at **550 Lobdell Ave.** For twenty years, the Knights have donated all overhead costs for the event so that 100 percent of every purchase goes **DIRECTLY** to improve life for those living with cancer.

Many of these volunteers are personally motivated, cooking in honor or memory of their loved ones affected by cancer. Cancer Services Chief Development Officer, John Boudreaux, attests to their generosity as this event continues to grow, "These men cook the best jambalaya, hands-down, but their true passion is serving their community. We asked them this year if we could go bigger and they agreed with no hesitation. Cancer Services is incredibly grateful for their commitment."

Lunches can be pre-ordered until Wednesday, April 23, or purchased the day of the event at Cancer Services at 550 Lobdell Ave. (corner of Lobdell Avenue and Government Street near Independence Park). They include jambalaya, salad, bread and a dessert. Plates are \$10 each and Cancer Services is offering free delivery for orders of 20 or more.
